

# Learning from Failure

Sunday 29th March

7pm at **St Michael's**

We're delighted to welcome back Major General Tim Cross, to speak on how we learn from failure, and what the bible has to say about it. Tim will draw on his experience with the army in Baghdad in 2003. Many of us appreciated hearing Tim when he gave our Winder Lecture last November, and this promises to be another good evening. Do put the date in your diary and invite others to come along too.

We would love to serve refreshments at 6.30pm, before the lecture. Please contact [admin@warfield.org.uk](mailto:admin@warfield.org.uk) if you could be available to help with this.
