

How to set up a Justgiving member page for the Christian Aid Week - Warfield Walks to Glasgow

Thanks for joining us on our long walk to Glasgow during Christian Aid Week this year.

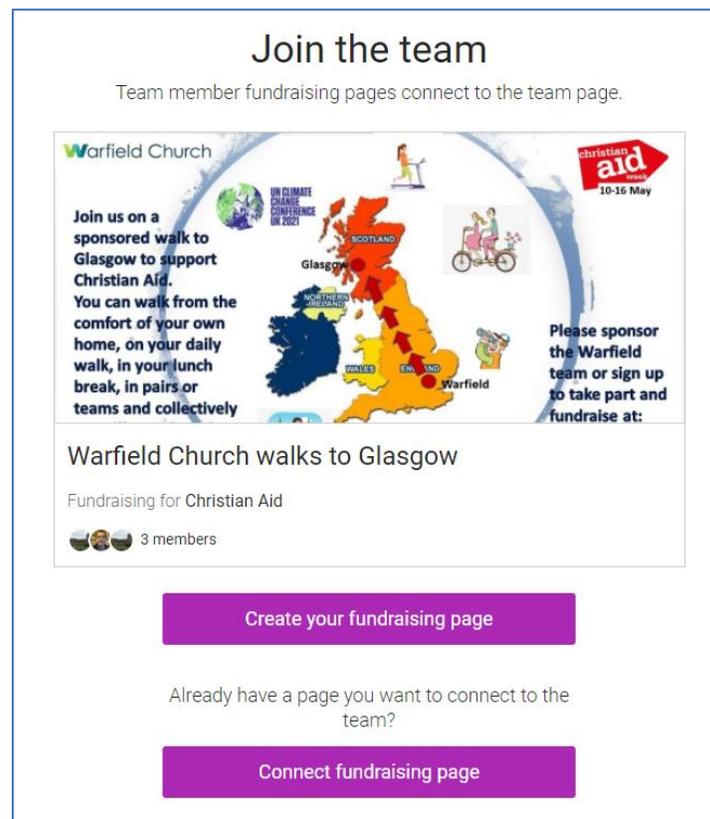

It's a great cause and the impact of climate change on the poorest in society is becoming very clear.

So that everybody who would like to walk or run (or maybe swim!) can fundraise together, we can all set-up a Justgiving page as a Warfield Church team member.

Its quite easy to do, so we hope the notes below help.

This will allow us to track how much team members have raised AND also calculate how far we have collectively walked AND enable you to post pictures to prove it!

1. First go to www.Justgiving.com/team/warfieldchurch
2. To join the Warfield Church Team, either click on the Join the Team blue text at the top of the page or the Orange Box at the bottom of the page
3. The first question you will be asked is to Log In to Justgiving. If you already have a JustGiving Login account then just continue, otherwise you can set one up very easily
4. Once logged in to JustGiving, you will be asked to Join the Team. (See picture below). Click the purple button. **Create your fundraising page**

5. You will then have the option of choosing an Organised Event or [Describe your Own Event](#). Choose [Describe your own event](#) because we are already linked to CAW and The Warfield Church Team.

6. On the next page choose your Event Type. Choose A personal walk (or something else that can be measured) and you will then have the option of regularly updating how far you have walked. (See picture below). **BEFORE** you click continue add your event name and you can even include your target if you have one. Then click [Continue](#)

7. On the next page, give yourself a fundraising target if you want, but you don't need to. Then add a name, which will give you the unique name for your Justgiving page. The system will tell you if your chosen name is unique. (So, in the example below, the Justgiving page will be justgiving.com/fundraising/joebloggs45). Select if you want to stay in touch & click [Continue](#)

8. On the next page, click NO and NO to the two questions, which will allow people to add Gift Aid to their donations, confirm you agree and confirm on the T&C's (see picture below) and then click **Create your page**

Gift Aid

Are you planning to ask for donations to your JustGiving page in return for goods, services or other benefits?

e.g. Will you be using your page to run a bake sale or auction, or sell tickets to an event or raffle? If yes, donations to your page will not be eligible for Gift Aid as donors will be receiving something in return.

No
 Yes

Is your charity contributing to the cost of your fundraising?

e.g. Paying for your travel, accommodation or entry fee. If yes, then donations made by you, your spouse or partner, or your relatives and their spouses or partners, will not be eligible for Gift Aid.

No
 Yes

I agree to [JustGiving Terms of Service and Privacy Policy](#).

I confirm that I have read the [Fundraising Regulator's Guidance Notes](#).

Create your page

9. Finally, you will have the opportunity to **Personalize page** your page! This will allow you to Edit your page with a title, summarize what you are doing and even add a more detailed story.

10. Then at the top of page click View and you can see what your new page looks like.....

The screenshot shows a Facebook fundraising page for 'Joe Bloggs and Family', which is fundraising for Christian Aid. The page features a cover photo of a woman in a dry, hilly landscape. At the top right, there is a progress indicator showing 0% and a call to action 'Be the first to donate!' with a 'Give Now' button. Below the cover photo, the profile picture and name 'Joe Bloggs and Family' are visible, along with the text 'Fundraising for Christian Aid'. A small banner for 'Team: Warfield Church walks to Glasgow' is also present. The main content area is titled 'Story' and contains text about a 20-mile walk during Christian Aid week. To the right of the story is a 'Fitness Activity' section with a 'Connect with STRAVA' button. Below the story are social sharing options for Facebook, Twitter, and Email. At the bottom left is an 'Updates' section with a 'Post an update' form. On the right side, there is a 'No supporters yet' section with a 'Give Now' button. Blue arrows point from text labels at the bottom to specific elements: 'To Add a picture or post click here' points to the image icon in the update form; 'To Share your page click here' points to the Facebook share button; and 'To update how far you have walked click here' points to the 'Connect with STRAVA' button.

Story

Joe and Anne will be walking 20 miles each during Christian Aid week to raise awareness of the impact of climate change for the poorest in society.

Please help us help Rose and others like her, who prays 'that the rainfall will become normal like it used to be', particularly as the coronavirus pandemic has only made this lack of water more critical for her. Without water for handwashing, it is a struggle to stay safe from the virus.

Please support our fundraising and help Christian Aid provide reliable water sources for people like Rose. Thank you!
