

40 days of Lent

Walk with Jesus

Follow me ~ Matthew 4:19

INSTRUCTIONS

- 1** Print & Color or Print on color paper
- 2** Cut the hanger and all 25 paper chain strips along the lines.

3 Prepare the Hanger

Punch a small hole at the top for hanging and thread a ribbon or twine loop.

Locate the horizontal line near the bottom and cut to make a slit —you'll use this to attach your chain.

4 Make the Chain starting with the Dec 25 strip

Slip the Dec 25 strip through the slit in the hanger from front to back.

Form it into a loop below the hanger and glue, staple or tape the ends together.

This becomes the top link of your countdown chain.

5 Add the Next Links

Slide the Dec 24 strip through the Dec 25 loop and secure the ends to make the next loop.

Continue linking each strip in order until Dec 1 is last - the first link that you'll tear off.

6 Display & Countdown

Hang your chain where everyone can see!

Each day, tear off one link, read the nativity story and verse together.

On Christmas Day, read Isaiah 9:6 and celebrate the birth of Jesus!

ANOTHER COUNTDOWN OPTION: Assemble the chain day by day

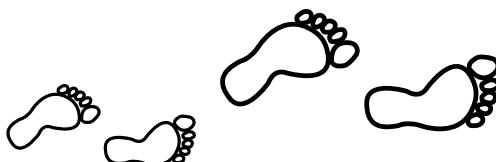

From Dec 1 to Dec 25, cut out the day's strip, color, read the story and verse. Create the day's loop and link the loops day by day.

On Christmas Day, create the last loop to complete the chain and attach it to the hanger for display!
