

WEEKLY NEWS

Last Sunday, Guy introduced our **dream** for what we see as our church's purpose: **life and peace for all through Jesus**. We then explored two areas: growing authentic and loving relationships with God and one another, and remaining joyful and generous.

This week we explore two more areas: being creatively worshipful and prayerful, and being passionately dependent on God and attentive to God's Spirit.

We have our usual morning services – 8:30am for Communion at St Andrew's, and 10:30am at St Michael's and Whitegrove, with children's groups.

Mission Prayer

On Tuesday 16th June, we're holding an extra prayer meeting focused on our **Mission Partners**. This will be in the **Prayer Cabin** from **7pm**. All are welcome to join!

Warfield Fete

Tomorrow (Saturday) is the Warfield Village Fete from 12-4pm. You can park on the far end of the Memorial Ground by Osborne Lane. Thank you to all who have offered to help run the tea tent – come and say hello!

Baptism by Immersion

This is the **final week** we will be mentioning the opportunity for Immersion Baptisms on 26th July. If you are on the fence about it, don't be afraid to have a conversation with us – but we would like to know fairly soon so that we can begin making preparations.

National Emergency Briefing (NEB)

Apologies that last week's email contained a mistake regarding the day of the NEB screening; the info below is correct.

The NEB is a video compiled by some of the UK's leading experts on climate change, setting out the implications of climate and nature breakdown and its effects on public

health, food systems, national security and the economy. Its purpose is to demonstrate what a clear, evidence-led national emergency briefing could look like and why it is needed.

Bracknell's first screening will be held on **Friday 19th June, at 6pm in the Bracknell Library (RG12 1BH)**. The event is free to attend, but is ticketed, so if you'd like to come please visit: [The People's Emergency Briefing](#). The event is being hosted by the BFCCA.

Orchard Women Conference

Orchard Women seeks to empower **women** to love, follow and serve Jesus boldly in every age, stage and season of life. They run fantastic day conferences gathering women for a day of inspiring teaching and powerful worship. To find out more, chat with Ruth or [watch this short video](#).

On the 17th October, Orchard Women is in London and a group of Warfield women are planning to attend. Tickets are £57, or £47 if you are a student or over 65. There is a discount of 10% for every 10 tickets purchased in each category, and we wonder if there is enough interest to get this discount! If you are interested in attending, please contact the Church Office by the 19th July when we will do a block booking if there is sufficient interest.

Life-Giving Theology

Are you interested in studying theology in a bit more depth, in a way that's transformational and kingdom focused? The Westminster Theological College has a base in Bracknell and will be beginning a selection of courses this September.

You can do a one-year foundation course for 24 weeks (in which assignments are optional), or begin a Certificate of Higher Education which takes two years, or a part-time degree which takes six years. If you've already got a degree, you can do a graduate diploma. It involves the kind of financial commitment you would normally associate with academic study, but there are bursaries available.

If you have an itch to grow and deepen as a disciple this could be for you. There is a brochures at the back of church to look at, and you can find out more by talking to Geri Jones or Guy and Ruth. The website is <https://wtctheology.org.uk/>.

MISSION PARTNERS: COMPASSION

Our prayers this week are for Compassion. They are a charity who believe that every child should have hope for their future. Warfield Church supports Lloyd in Kenya, and several members of Warfield Church individually support children as well.

Lloyd is 16 years old and lives in Shauri Yako, by Lake Victoria. He is a growing Christian, and his interests at school are science and sports, particularly football.

In August Lloyd will celebrate his 17th birthday, and we would like to send our wishes from Warfield Church. On Sunday, there will be an opportunity at all congregations to sign your name, which will be added to an e-card sent to Lloyd via Compassion.

And next week, you can join us in prayer for all of our mission partners on **Tuesday 16th June, from 7pm in the Prayer Cabin**. All are welcome.

NOTICES
