A message to my sponsor

Date 5-4-2025

Hello Warfield church west,
I hope all of you are fine and God has kept you very well. I and my whole family members are fine in the lord.

Yes, we had an enjoyable christmas holiday with my entire family members. I am also glad because of having some lovely christmas services with people and missionaries around the world that you all have sponsored. In Kenya, the weather is somehow cold but sometimes it is sunny.

I hope you all celebrated and enjoyed well. I have seen the pictures, they look so good and tell them to keep on drawing those nice pictures. I am also enjoying my lessons in school. Thank you all for praying for me so that God can protect and lead me.

I am proud for sending me this letter. I am also supporting Mancity participating in the English premier league. Goodbye and hope to hear you soon.

Your son,
Lloyd Mathews.
